

Start on the top floor

Look in the Bronze Age Dartmoor hut. What do you think it might have been like to live in one of these? Draw circles around your choices from this word bank.

What might it have been like to live in a cottage like this? Write a four line poem as if you were living here in Victorian times. There's no need to make it rhyme, but try to make it funny!

Middle floor

This floor is about Dartmoor industries. What materials can you find? Draw or write in the boxes.

Something made of iron	Something made of stone	Something made of rubber

Ground floor

This building was once a corn mill. The floor had to be washed clean. Look closely at how the cobblestones were laid in patterns to help the water drain away.
